CLIENT REVIEW

I am very happy with our website improvements and service provided by TEQTOP. They are providing marketing assistance and development services for our company. Thanks to Sushil and his team, that we are getting increased visibility on social media. For a short period of time, we are working together, we've clearly seen an increase in the number of customers coming to us. So, I'd strongly recommend TEQTOP to all.

CLIENT REVIEW

We trust our Website Development and SEO to TEQTOP exclusively. We had a prior campaign deliver lukewarm results, but when Sushil and his team took over, we achieved superior rankings that increased the traffic. Our national brand, MonsterRax overhead garage storage racks, benefits greatly from the continued efforts of TEQTOP.
